

REPRODUCTIVE HEALTH AND MHPSS*

*Mental Health and Psychosocial Support

The number of calls to national hotlines for **counselling and psychosocial support** increased during strict lockdowns, especially calls from women. The number of people seeking counselling has **steadily increased** since the beginning of the COVID-19 pandemic. Power cuts **impact accessibility** of the hotlines. There was a sharp rise in the number of people reached when popular **social media was used**.¹

Number of counselling sessions provided by Lao Women's Union (LWU), Lao People's Revolutionary Youth Union (LYU) and Vientiane Youth Clinic (VYC) January 2020 - December 2022

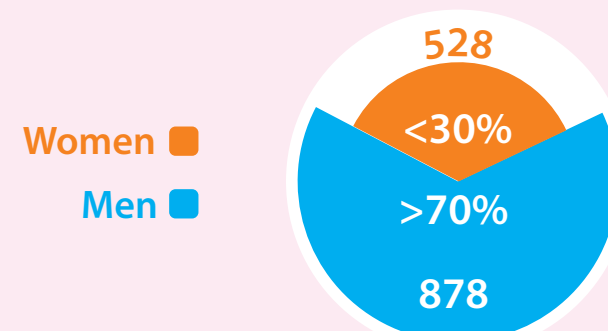

The above graph shows when contraceptive use increases, the number of complicated abortions is reduced.

NATIONAL INTERVENTIONS

MEDIA

Data from the Ministry of Information, Culture, and Tourism shows that **fewer than 30% of registered journalists are women**.

NATIONAL INTERVENTIONS

Initiatives to educate media on gender equality:

- Capacity building with government media outlets on ethical reporting of gender and Gender-Based Violence (GBV).²
- Gender equality training for the E-Learning and Information and Media Centre teams of the Ministry of Education and Sports (MOES).³

POLITICS

Recent data shows that more than **30%** of Provincial Assembly members are women.⁴

SPORT

Data from the Ministry of Education and Sports shows:

NATIONAL INTERVENTIONS

The Lao Rugby Federation integrated rugby and life skills, such as leadership, gender equality, and health. Today, more than 50% of Lao rugby players, coaches, and participants are women.

ENVIRONMENT AND CLIMATE CHANGE

Women make up about 50% of the agricultural workforce in Lao PDR.¹⁰ They are more **vulnerable to climatic shocks and stressors** since they have less diversified livelihoods than men.

Women 50%

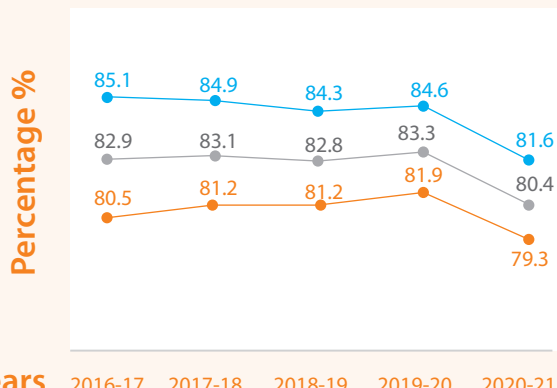

NATIONAL INTERVENTIONS

Initiatives include:

- Awareness-raising campaigns such as "Me, My Body, My Future, My Planet";
- Policy work with duty bearers on issues such as "Human Rights and the Environmental Rule of Law";
- Civil society organisations working on gender and climate change; and
- Building capacity of organisations from land, forestry and natural resources sectors.

Women Men Total

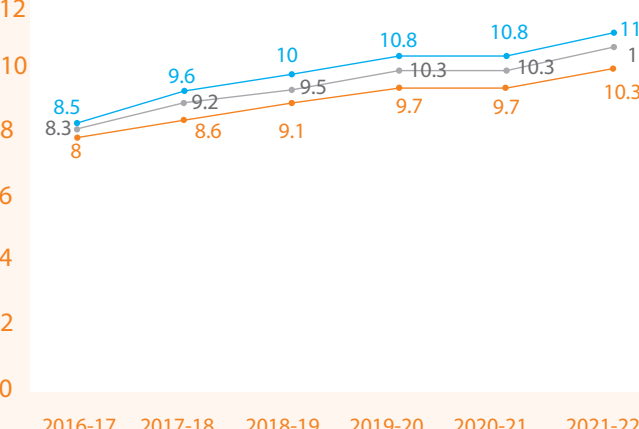

Gross Enrolment Ratio-Lower Secondary

Gross Enrolment Ratio-Upper Secondary

Dropout-Lower Secondary

Do women have equal access to public life in Lao PDR?

NATIONAL INTERVENTIONS

- To improve enrolment rates and reduce school dropouts due to pregnancy and early marriage, the Ministry of Education and Sports (MOES) and United Nations Population Fund (UNFPA) are rolling out Comprehensive Sexuality Education (CSE) curriculum for students in teacher training, primary, secondary, non-formal education, TVET and university.
- The Ministry of Education and Sports (MOES) and partners developed online teaching and learning platforms and broadcast through Khang Panya Lao, satellite TV, and national TV.

FINANCE

People in Lao PDR who have a bank account.¹⁴

NATIONAL INTERVENTIONS

- BFL's "Banking On Women" initiative provides gender-responsive financial services to Lao women entrepreneurs, including access to a personal banker, free finance trainings, and preferred rates on financing solutions.

Women-owned businesses had challenges accessing trade finance, with 70% of those surveyed reporting that their applications were totally or partially rejected.¹⁵

Business Registrations

- Marginalised women in communities have greater control over their resources through "Village Savings Loan Association" and "Financial Literacy and Entrepreneurship".¹⁶
- Formalising women-led savings groups provides:
- Secure savings;
- Access to short term microfinancing for small business;
- Increased adaptation to economic stress and shock; and
- Transformed community attitudes to women's financial capacity.

EDUCATION

Over 100,000 girls and boys access **Khang Panya Lao** online.¹²

Women can read and write¹¹

Between 2017-2022, women made up 70% of the enrolment in project-supported Technical and Vocational Education and Training (TVET) and Skills Development courses were women (8640 women and 3713 men) in 2017-2022.¹³

Key observations:

The gross enrolment ratio in both lower and upper secondary schools reduced sharply in 2020-21 compared to 2019-20. The gross enrolment ratio of girls reached its lowest at both lower and upper secondary schools in 2020-21.¹²

"Technology and innovation can be game changers for women and girls' rights if design and use responds to their specific needs"

LABOUR

5.4% Women-led enterprises reported the use of information and telecommunication technology in business.⁶

Annually Lao PDR has over **84,000** new entrants to the job market, half of these are young women.⁸

NATIONAL INTERVENTIONS

- The Ministry of Labour and Social Welfare (MoLSW) and UNFPA's Noi Friendly Business Criteria aims to:
- Empower adolescent girls and young women;
- Increase school retention;
- Ensure access to health information and services; and
- Prevent workplace violence, trafficking and child labour.

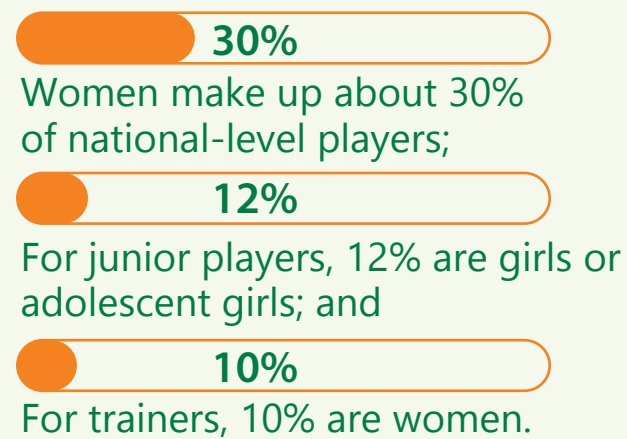

One-fourth of agricultural researchers are women.⁵ More data on women in STEM (Science, Technology, Engineering, and Maths) in Lao PDR is needed.

Women in STEM in the region:⁷

SPORT

Data from the Ministry of Education and Sports shows:

NATIONAL INTERVENTIONS

The Lao Rugby Federation integrated rugby and life skills, such as leadership, gender equality, and health. Today, more than 50% of Lao rugby players, coaches, and participants are women.
